Esteemed Lakshya Magazine Readers,

“Excellence is not a destination; it is a continuous journey fuelled by dedication, vision, and collective effort.”

On behalf of The Andhra Education Society, I extend my sincere appreciation to our staff, students, and the entire AES community for their unwavering commitment, resilience, and contributions throughout the year.

At AES, our purpose remains clear—to cultivate an educational environment where students are inspired to discover their strengths, pursue knowledge with passion, and develop into responsible, compassionate individuals. While academic achievement continues to be a priority, we place equal emphasis on values such as integrity, empathy, perseverance, and collaboration, which form the foundation of holistic growth.

The progress and accomplishments witnessed across AES institutions reflect the devotion of our Headmistress, Heads of Sections, teachers, and non-teaching staff. Their relentless efforts have strengthened the institution’s legacy and propelled us toward higher benchmarks of excellence.

As we step into the academic year 2025–2026, our commitment to providing quality education, promoting inclusivity, and nurturing well-rounded individuals remains steadfast. Together, let us continue to innovate, inspire, and create meaningful transformations in the lives of our students.

“Education is the key that unlocks the doors to opportunity, growth, and a brighter tomorrow.”

Greetings to the Esteemed Readers of Lakshya Magazine,

As we begin yet another inspiring chapter in the legacy of The Andhra Education Society, it is both an honour and a privilege to share my thoughts through this annual publication.

Education continues to stand as the catalyst for transformation and progress. At AES, we remain deeply committed to nurturing an environment where every student is empowered to learn, explore, and excel. Our holistic educational approach—balancing academics, sports, and co-curricular activities—ensures that learners experience well-rounded development in every sphere.

Rooted in a child-centric philosophy, our efforts focus on cultivating curiosity, confidence, resilience, and adaptability. We aim not only to nurture academic achievers but also to shape socially responsible and value-driven individuals who will contribute meaningfully to society.

I extend my warmest congratulations to our Headmistress, dedicated staff, and hardworking students whose collective efforts have elevated the institution to greater heights. Their steadfast commitment, perseverance, and achievements are a source of immense pride for the entire AES family.

As we move into the academic year 2025–2026, may our shared dedication to education continue to inspire, uplift, and empower every learner to reach new horizons. Together, let us work toward building a future filled with promise, purpose, and possibility.

B.RAM MOHAN RAO
President

“Education is the bridge between aspiration and achievement, the foundation upon which futures are built.”

Greetings to Lakshya Readers,

At The Andhra Education Society, we continue to uphold the belief that education is not merely the acquisition of knowledge, but a transformative journey that moulds individuals into thoughtful, responsible, and empowered citizens. Our commitment remains steadfast in nurturing values such as integrity, cooperation, resilience, and empathy—qualities that prepare our students to make meaningful contributions to society.

Education at AES extends far beyond the classroom. Through a harmonious blend of academics, sports, arts, and co-curricular activities, we strive to create an environment where every learner can explore, grow, and discover their unique potential. This collective effort is made possible by the strong partnership between our Management, Parents, Students, and Teaching Fraternity, whose collaboration strengthens the very fabric of our institution.

As we embark on the academic year 2025–2026, I encourage our students to embrace new challenges with confidence and determination. Let us remain united in our mission to uphold the values and vision of AES, shaping a future that is inclusive, enlightened, and full of promise.

I extend my heartfelt appreciation to all parents and stakeholders for their unwavering trust and support. Together, let us continue to inspire our students to strive for excellence and to build a future that reflects their highest aspirations.

“Arise, awake, and stop not till the goal is reached.”

- Swami Vivekananda

It gives me immense pleasure to present this year’s edition of our school magazine, Lakshya. The very name represents aim, direction, and purpose—values we aspire to nurture in every student who walks through our doors. Lakshya is not just a title; it is a reminder that every child carries within them a unique goal and the potential to achieve it.

This year has been especially rewarding. Our SSC students achieved an outstanding 99.65% result, and our HSC students secured an impressive 99.56% pass percentage. These remarkable results reflect the hard work of our students and the unwavering dedication of our teachers. Our Primary and Pre-primary wings have displayed great enthusiasm and steady growth.

Each page of this magazine reflects the vibrant creativity, curiosity, and determination of our students. Their poems, articles, artwork, and achievements remind us that education extends far beyond the classroom. It is a journey of discovering talents, expressing ideas, and growing with confidence and character.

I would also like to express my sincere gratitude to our Management Committee for their constant encouragement, support, and visionary guidance. Their commitment to the growth and well-being of our students and staff inspires us to strive for excellence in every endeavor.

My heartfelt appreciation goes out to our dedicated teachers, whose guidance and passion help our children blossom every day. I also extend warm gratitude to our parents for their unwavering support and trust. Together, we continue to build an environment where excellence thrives, values are strengthened, and holistic development remains at the heart of learning.

As you turn the pages of Lakshya, I hope you experience the same pride and joy that we feel. May our students keep moving towards their goals with courage, sincerity, and a deep sense of purpose.

MESSAGE FROM THE JUNIOR COLLEGE SUPERVISOR

"Education is not preparation for life; education is life itself."

– John Dewey

As we begin the academic year 2025–2026 at the Andhra Education Society's Junior College, our mission continues to focus on creating a dynamic and nurturing environment where students are inspired to learn, grow, and excel. Each new academic cycle brings fresh opportunities, and this year, we renew our commitment to promoting intellectual curiosity, discipline, and holistic development.

At AES Junior College, we believe education extends beyond textbooks and examinations. Along with fostering academic excellence, we strive to instil confidence, creativity, and resilience in every learner. Our dedicated faculty ensures that students receive the guidance and support needed to prepare for both higher education and life beyond the classroom.

AES is at the top in passing percentage in the entire FN Ward, a reflection of our students' hard work, parental support, and the unwavering dedication of our faculty.

Beyond academics, our campus continues to thrive with vibrant cultural celebrations. The enthusiastic participation in Garba festivities and our grand annual youth festival ZESTA has enriched the AES experience, giving students a platform to showcase their talents, collaborate with peers, and celebrate unity and cultural diversity. These events strengthen the spirit of teamwork, joy, and community that our institution proudly upholds.

We encourage students to embrace new challenges, discover their strengths, and strive toward higher goals. With commitment and perseverance, we are confident that each student can achieve excellence.

MESSAGE FROM HEAD TEACHER PRE-PRIMARY

It is a true privilege to share my thoughts in our school magazine. At AES, our vision is to inspire a lifelong love of learning, encourage curiosity, and nurture both knowledge and compassion. We strive to create an environment where every child flourishes academically, personally, and socially.

Our commitment is to provide students with modern educational resources while fostering a creative and intellectually stimulating curriculum. This year, our children proudly participated in numerous inter-school competitions, gaining valuable platforms to showcase their talents. These experiences not only enhance their skills but also build confidence to face challenges from an early age.

We are deeply grateful to our parents for placing their trust in us and supporting the holistic development of their children. Together, we are shaping bright futures filled with promise and possibility.

With heartfelt thanks and best wishes for a joyful and successful New Year!

SMALL HANDSBIG CHANGE

Students play a very important role in protecting our planet. Even small actions can make a big difference when everyone does their part.

First, students can reduce waste by using reusable bottles, lunch boxes, and bags instead of plastic ones. They can also avoid wasting paper by writing on both sides of sheets and submitting homework online when possible.

Second, they can plant trees and take care of school gardens. Trees clean the air and make the surroundings more pleasant.

Third, students can save electricity and water by switching off lights, fans, and taps when not in use. These small habits help conserve natural resources.

Fourth, they can spread awareness by making posters, organizing rallies, and talking to others about the importance of a clean and green Earth.

By learning and acting responsibly, students can become real heroes for the planet. Remember-protecting the environment today means ensuring a better future for tomorrow.

Teacher & Student

Teacher and Student, these words itself reminds us about the divine relationship between the two, the world has been witnessing ever since the world began. Isn't Arjun, the great archer of all times, great probably because his Guru Dronacharya. Isn't Lord Ram, the Ram, the great King of Ayodhya, probably great because of his Guru Vishwamitra. Successful teacher are those who have the ability to maximize the learning potential of their students. In fact, we are nothing but the reflection of our teachers. Yes, she or he is the one who shapes us, inculcates values in us, develops positive attitude, evokes our dreams and leads us on

the path of progress Just as it is very important for a teacher to discharge his responsibilities, Similarly, it is important for a student enact his role with equal sincerity. A student should have love and respect for his Teacher. It should be expressed in his words and deeds. The greatest! Gurudakshin a of a teacher is to see his student's success. Can there be any reward better than this. But this holy relationship has undergone radical changes with the passage of time teasing nick-naming, commenting on the Schools, Colleges and Universities have become more like factories which produce Doctors, Engineers, CAs, and Business Men and so on. There is no longer, emotional bond between teachers and students. Give and take of education has become commercialized. Isn't it a matter of shame? We need to change the scenario. The word teacher stands for tolerance, understanding, love and affection. He should reach out the hearts of his students. He should go beyond the text and reach the level of his students. He should work beyond his working hours.

Yes, this is what a teacher should be. The Students too should give his teachers respect and adore him for his unique qualities of head and heart. Their relationship is like a vast ocean of water. It has no end and it's beyond definition. Fortunately today also we have teachers and students who are a role model to us. Hats off to this wonderful relationship.

Make It Green

Leaves are crying because it's not clean,
 Earth is dying because it's not green.
 Earth is our dear mother, don't pollute it,
 She gives us food & shelter, just salute it.

With global warming, it's in danger,
 Let's save it by becoming a strong ranger-
 With dying trees & animals, it's in sorrow.
 Make green today & green tomorrow.

With meltings now, one day it will sink,
 How can we save it?
 Just think

Trees are precious preserve them.
 Water is a treasure, reserve it.

MR. RIGHT

My friends all call me Mr. Right
 Because I'm never wrong
 I brag about it every night
 I shout it all day long.
 I always have the answers
 Which I'll gladly share with you
 I never need to listen I already know what's true

I value your opinion when
 It's just the same as mine
 As long as you agree with me
 We'll get along just fine
 So, ask me and I'll tell you
 There is nothing I don't know
 I'm certain my belief are facts
 They're absolutely So.
 And why am I so sure I have the perfect point of view?
 I heard it from somebody else
 Who told me it was true

India is our home — a vast and beautiful country filled with people, culture, and love. We lovingly call her Bharat Mata, our Mother India. Just as we love and respect our mothers, we must love and respect our country too.

India is a land of great diversity. From the snow-capped mountains of the Himalayas to the sandy beaches of the south, from green forests to fertile fields, our land is rich in nature, beauty, and resources. It is a country full of history, art, and traditions.

Let us all do our part to make India great — by being good citizens, helping others, spreading love and peace.

The happy Sun smiles,

And cattle walking in fun,
Sing along the happy trees,
Under the shining sun.

The Value of Time

Once there was a boy named Rohan who loved to play all day. He always said “I’ll do my homework later!” Every evening, he played until it was dark and then rushed to finish his work. But he was always too tired and made many mistakes.

One day, his teacher announced a test. Rohan thought he had plenty of time to study, so he kept delaying. When the test day came, he wasn’t ready and got poor marks. He felt

very sad.

His friend Meena Said, "Time never waits. If you use it well, it helps you succeed." Rohan understood her words. From that day, he planned his time carefully - study first, play later. Soon, he became one of the best students in class.

The Truth We Hide

In books we read peace and light,
But outside, not all things are right.

Some people cheat, some close
their eyes, While others cover truth
with lies.

The law is strong but often bends,
When power talks and money sends.
But forget the path of care and love.
They fight in name of gods above.

A friend becomes an enemy, Just
for religion or money. And call it right
but must peace cease. They burn
the flags, they break the heart.

A girl walks with dreams inside But
fears the dark before it start. She
learns to smile, but hides her pain,
Like flowers scared of sudden rain.

She locks her voice, though it is
bright, Because the world won't treat
it right. They teach her how to dress
and speak, But never let her just be
free.

Our country sings a song so bright,
But still has shadows in the light. Let's
raise our voice, let truth be known
No one should ever walk alone.

मन नावाचा कोपरा

माणूस नावाच्या सजीवात
मन नावाचा कोपरा बसतो
असंख्य गोष्टींचा दडलेला येथे

काही स्वप्न पूर्ण झाल्याचा
आनंद असतो तर,
काही स्वप्न अपूर्ण असल्याचा
गंध येथे दरवळतो
आठवणींचा खेळ रोज चालू
असतो याच खेळात स्वतःलाच
मात्र हरवून बसतो.
पर्वा नसते कुणाला याची

मन नावाचा कोपरा मात्र आशेच्या

पर्यावरणाचे महत्त्व

- जीवन आधार : पर्यावरण आपल्याला शुद्ध हवा, पाणी, अन्न आणि जीवन जगण्यासाठी लागणारी इतर संसाधने पुरवते.
- इकोसिस्टमचा समतोल : वनस्पती प्रकाश संश्लेषणाद्वारे हवा ठेवतात आणि अन्न साखळी टिकवून ठेवतात, ज्यामुळे पर्यावरणाचा समतोल राखला जातो.
- मानवी जीवनशैलीवर परिणाम : पर्यावरणाचा दर्जा थेट मानवी आरोग्यावर आणि जीवनावर परिणाम करतो.

पर्यावरणावर परिणाम करणारे घटक

- मानवनिर्मित घटक : औद्योगिक प्रदूषण, जंगलतोड, शहरीकरण, कचरा आणि प्लास्टिकचा अयोग्य वापर यामुळे पर्यावरणाला धोका निर्माण होतो.
- नैसर्गिक घटक : भूकंप, ज्वालामुखी, नैसर्गिक आपत्ती यांचाही पर्यावरणावर परिणाम होतो.

आईची मिठी

नेहमी वाटतं आईकडे
जादूच आहे मोठी
क्षणात सारं कसं छान करते
आईची मिठी!
डोळ्यात गर्दी करतात जेव्हा
टपोरे मोती
हळूच त्यांना झेलून घेते
आईची मिठी!
कधी पडतं असं स्वप्न
वाटते खूप भिती
बागुलबुवाला क्षणात घालवते
आईची मिठी !
लपून राहवं वाटतं जेव्हा
होते फजिती
धीर देत समजून घेते
आईची मिठी!
कधी होते एवढी चिडचिड
राग नाकावरती
त्यावर अलगद फुंकर घालते
आईची मिठी!
कधी कधी मिळते जेव्हा
शाबासकी मोठी
आनंद अजून मोठा करते
आईची मिठी !
हसू खुलवते रडू घालवते
दूर करते भीती

खरंच जादुई आहे ना
आईची मिठी!

आहा.....आईची मिठी!!

ज्ञानाची खरी किंमत

एकदा एका छोट्याशा गावात गणेश नावाचा मुलगा राहत होता. त्याला अभ्यास अजिबात आवडत नव्हता. दिवसभर मित्रांसोबत खेळणे, खोड्या काढणे हेच त्याचे काम. त्याची आई रोज सांगायची “बाळा, शिक्षणाशिवाय जीवन अधुरं आहे,“ पण गणेश नेहमीच टाळाटाळ करायचा. एके दिवशी गावात मोठा मेळा भरला. गणेश तिथे गेला आणि पाहतो तर काय - गावातले सुशिक्षित लोक दुकाने चालवत होते, गणित वापरून काटेकोर हिशोब ठेवत होते. कोणी स-गणकावर माहिती देत होते तर कोणी इंग्रजीतून पर्यटकांशी बोलत होते. गणेशलाही तिथे नोकरी मिळवायची होती, पण कोणीही त्याला काम देत नव्हते. कारण त्याला वाचता-लिहिता येत नव्हते. साधं आकडेमोडही जमत नव्हती. तो निराश होऊन घरी आला. आईने प्रेमाने समजावले “बाळा, पैसे, खेळ, मजा हे सगळं क्षणिक आहे पण ज्ञान आयुष्यभर साथ देतं. शिक्षण हीच खरी संपत्ती आहे.“ गणेशला आपली चूक कळली. दुसऱ्या दिवसापासून तो अभ्यासात मन लावू लागला. काही वर्षांनी तो गावातील पहिला संगणक दुरुस्ती केंद्र चालवू लागला आणि इतरांना कामे देऊ लागला. कथेचा बोध : शिक्षण हीच खरी संपत्ती आहे. पैशापेक्षा ज्ञान अमूल्य असते; तेच व्यक्तीला प्रगतीचा मार्ग दाखवते.

मधली सुट्टीतला प्रवास

नमस्कार विद्यार्थी मित्रांनो ! आजचा दिवस आहे खूप खास !

कारण दादाने दिलाय विषय मधली सुट्टी चा प्रवास

या जर्नी मधून यशाचा मार्ग मिळालाय करेक्ट
आता खूप काही बोलत नाही सुरवात करते डायरेक्ट

आज माझं मन अगदी आनंदाने भरून आलंय,
मी ही कविता बनवून काहीतरी युनिक केलंय.

या दहा दिवसांच्या जर्नीत शिकलोय खूप काही,
पण दादा कधीच आम्हाला ओरडला नाही.

दादा सारखा व्यक्ती आयुष्यात कधीच नाही पट्टीला,
त्याच्यात नेहमी सोबत असणारा आदर्श मला दिसला.

आता दादाचे वर्णन करते थोडक्यात
त्याचे गुण सांगते काही शब्दांत

नेहमी आम्हाला सपोर्ट करणारा,
विश्वास व हिम्मत देणारा,

एकाच झलक मध्ये जो मनात बसतो,
जो नेहमी सर्वांची हेल्प करतो,
ज्याच्या नावातच लपले विजयाची वारी,
असा आमचा अजय दादा जगात भारी

రమేష్ చిన్న ఉద్యోగి. తండ్రి అనారోగ్యం కారణంగా తరచూ అతనికి వైద్యం చేయించాల్సి వచ్చేది. రమేష్ భార్యకి ఇది భారంగా అనిపించింది.

"నీ తల్లిదండ్రుల కోసం ఇంత ఖర్చు పెట్టడం మానేయి, మనకూ జీవితం ఉంది" అంది. రమేష్ మౌనంగా విన్నాడు. కాని ఒకరోజు అతను తన చిన్న కొడుకుతో ఆడుకుంటున్నప్పుడు అడిగాడు : "నాన్న నువ్వు పెద్దవాడైతే నన్ను చూసుకుంటావా?" బాలుడు

అమాయకంగా చెప్పాడు. "నువ్వు నన్ను చూసుకున్నట్టు నేను చూస్తాను!" ఆ సమాధానం విని భార్యకు కూడా అర్థమైంది. తల్లిదండ్రులు కుటుంబానికి నీడ లాంటివారు ; వాళ్ళను విస్మరించడం అంటే భవిష్యత్తులో పిల్లలు మనల్ని విస్మరించేలా నేర్పించడం.

ఒక రోజు, ఒక కాకి అక్కడికి వచ్చి నెమలిని చూసి అన్నది :

" నీవు అందంగా ఉన్నావు గాని, ఎగరలేవు . కానీ నేను ఆకాశంలో ఎత్తుకు ఎగురుతాను. అందం కంటే పనికివచ్చే గుణం గొప్పది."

నీతికథ - చిన్న కథలో పెద్ద బోధ

ఒక చిన్న గ్రామంలో రాము అనే బాలుడు ఉండేవాడు. అతను తెలివైనవాడు కానీ కొంత స్వార్థపరుడు. ఒకరోజు పాఠశాలకు వెళ్తూ, అతనికి రోడ్డుపక్కన ఒక వృద్ధుడు దారిలో పడిపోవడం కనిపించింది. రాము ముందు ఆ వృద్ధుడిని చూసి ఏమీ పట్టనట్లుగా పాఠశాలకెళ్లి పోవాలనుకున్నాడు. కానీ వెంటనే అతని మనసులో గురూజీ చెప్పిన మాటలు గుర్తుకొచ్చాయి- "నీవు ఎంత తెలివైనవాడైనా, నీ మనసు మంచిదై ఉంటేనే నీవు గొప్పవాడివవుతావు."

ఆ మాటలు గుర్తుకొచ్చిన వెంటనే రాము తిరిగి వచ్చి వృద్ధుడిని లేవనెత్తి నీళ్ళు తాగించాడు. అతన్ని దగ్గరలోని ఆసుపత్రికి తీసుకెళ్ళాడు. ఆ వృద్ధుడు ఎవరో కాదు ఆ గ్రామంలోని ప్రముఖ రైతు. వృద్ధుడు రామును ఆశీర్వదించాడు. తర్వాతి రోజే ఆయన రాముని తల్లిదండ్రుల దగ్గరకు

వెళ్లి, రాముని మంచి మనసును
ప్రశంసించాడు.

ఈ ఘటన తర్వాత రాము ఎప్పుడూ
ఇతరులకు సహాయం చేసే వాడిగా
మారిపోయాడు. పాఠశాలలో కూడా
అతని ప్రవర్తన మారింది. గురువులు,
స్నేహితులు అందరూ అతన్ని
మెచ్చుకున్నారు.

ఈ కథ ద్వారా మనం తెలుసుకోవలసింది
ఏంటంటే- నిజమైన విజయం తెలివిలో
కాదు, మంచితనంలో ఉంటుంది.
నిజాయితీ, సహాయం, సత్యం, గౌరవం
వంటి నీతికథలు మన జీవితాన్ని గొప్పగా
మార్చగలవు. ఇవి మనల్ని ఒక మంచి
వ్యక్తిగా తీర్చిదిద్దుతాయి.

మూల సందేశం: నీతికథలు మన
జీవితానికి దిక్సూచి లాంటివి.

కాకి - నక్క

చెట్టు మీద కాకి నోట
రొట్టె ఉన్నది!
నేల మీద కొంటే నక్క
కంట పడ్డది ..

కాకి బావ! పాట ఒకటి
పాడమన్నది!
పాడబోవ రొట్టెముక్క
నేల పడ్డది!

క్షణంలోన నక్కబావ నోట పడ్డది!
మోసపోయి కాకి ఎంతో దిగులు పడ్డది!

నా పాఠశాల అనుభవం

నా జీవితంలో మధురమైన జ్ఞాపకాలు పాఠశాలలోనే ఎక్కువగా ఉన్నాయి. ప్రతి రోజు స్నేహితులతో ఆడటం, టీచర్ల నుండి కొత్త విషయాలు నేర్చుకోవడం నాకు చాలా ఆనందం కలిగించాయి. పాఠశాల వార్షికోత్సవంలో స్టేజ్ పై పాట పాడిన అనుభవం నాకు మరపురాని జ్ఞాపకం. ఈ అనుభవాలు నాకు ఆత్మవిశ్వాసం ఇచ్చాయి.

"చదువుకు ఉన్న విలువ"

చదువుకుంది విలువ, నా చదువుకి మా నాన్న కట్టిన లక్షలకు లేదు.

చదువుకుంది విలువ, నా భవిష్యత్తుపై మా అమ్మ పెట్టుకున్న ఆశలకు లేదు..

చదువుకుంది విలువ, నాలుగేళ్ళ నా డిగ్రీకు లేదు..

हमे अपना रास्ता खुद ही बनाना है।

बस खुद पर यकीन रखे,
हर सपना सच हो सकता है““

शिक्षक

जीवन में जो राह दिखाए,
सही तरह चलना सिखाए।
माता-पिता के बाद आता,

जीवन में सदा आदर पांता।

सबको नाम प्रतिष्ठा जिससे,
सीखी कर्तव्यनिष्ठा जिससे।
कभी रहा न दूर में जिससे,
मेरे मन को भाता,
वह मेरा शिक्षक कहलाता।

कभी है शांत, कभी है धीर,
स्वभाव में सदा गंभीर,
मन में दबी रहे ये इच्छा,
काश में उस जैसा बन पाता,
जो मेरा शिक्षक कहलाता।

बचपन का जमाना

एक बचपन का जमाना था,
जिसमें खुशियों का खजाना था..।

चाहत चाँद को पाने की थी,
पर दिल तितली का दिवाना था..।

खबर ना थी कुछ सुबह की,
ना शाम का ठिकाना था..।

थक कर आना स्कूल से,
पर खेलने भी जाना था..।

माँ की कहानी थी,
परियों का फसाना था..।

बारीश में कागद की नाव थी,

हर मौसम सुहाना था..।

हर खेल में साथी थे,
हर रिश्ता निभाना था..।

गम की जुबान न होती थी,
ना जख्मों का पैमाना था..।

रोने की वजह ना थी,
ना हँसने का बहाना था..।

क्यू हो गए हम इतने बड़े,
इससे अच्छा तो वो बचपन का जमाना था..।

अपनों के दिए दर्द

जीवन के पृष्ठ यदि, पढ़ोगे सुजान आप,
अपनों के दिये कई, दंश मिल जाएँगे ।।

भीतर से काक किन्तु, बाहर से पाक साफ,
छद्म रूप धारी ऐसे, हंस मिल जाएँगे ।।

जिनके चरित्र मित्र दिखते पवित्र यहाँ,
मानवों में भेड़ियों के, अंश मिल जाएँगे ।।

कवि 'राज' आज कहीं, मिलेंगे न कृष्ण किन्तु,
घर घर में अनेक, कंस मिल जाएँगे ।।

दूसरों की खुशियों को, देखते ही आह भरें,
हाय तौबा करके ये, खूब बाल नोंचते ।।

रात दिन चुगली का, घूमते पिटारा लिए,

बात कोई नीति वाली, कभी नहीं सोचते ।।
फोकट का माल खाके, रहते हैं खुशहाल,
कहें कवि 'बृज' माल, बाज सा दबोचते ।

कपटी कुचाली ऐसे, छद्म वेशधारी लोग,
दृष्टि में हि दोष किन्तु, ऐनक को पोंछते ।।

अभ्यास का महत्व

प्राचीन समय में विद्यार्थी गुरुकुल में रहकर ही पढ़ा करते थे। बच्चे को शिक्षा ग्रहण करने के लिए गुरुकुल में भेजा जाता था। बच्चे गुरुकुल में गुरु के सानिध्य में आश्रम की देखभाल किया करते थे। और अध्ययन भी किया करते थे। वरदराज को भी सभी की तरह गुरुकुल भेज दिया गया। वहां आश्रम में अपने साथियों के साथ घुलने मिलने लगा। लेकिन वह पढ़ने में बहुत ही कमजोर था। गुरुजी की कोई भी बात उसके बहुत कम समझ में आती थी। इस कारण सभी के बीच वह उपहास का कारण बनता है। उसके सारे साथी अगली कक्षा में चले गए लेकिन वो आगे नहीं बढ़ पाया।

गुरुजी जी ने भी आखिर हार मानकर उसे बोला, "बेटा वरदराज! मैंने सारे प्रयास करके देख लिये है। अब यही उचित होगा कि तुम यहां अपना समय बर्बाद मत करो। अपने घर चले जाओ और घरवालों की काम में मदद करो।" वरदराज ने भी सोचा कि शायद विद्या मेरी किस्मत में नहीं हैं। और भारी मन से गुरुकुल से घर के लिए निकल गया। दोपहर का समय था। रास्ते में उसे प्यास लगने लगी। इधर उधर देखने पर उसने पाया कि थोड़ी दूर पर ही कुछ महिलाएं कुएं से पानी भर रही थी। वह कुवे के पास गया। वहां पत्थरों पर रस्सी के आने जाने से निशान बने हुए थे, तो उसने महिलाओं से पूछा, "यह निशान आपने कैसे बनाएं।" "

तो एक महिला ने जवाब दिया, “बेटे यह निशान हमने नहीं बनाएं। यह तो पानी खींचते समय इस कोमल रस्सी के बार बार आने जाने से ठोस पत्थर पर भी ऐसे निशान बन गए हैं।”

वरदराज सोच में पड़ गया। उसने विचार किया कि जब एक कोमल से रस्सी के बार-बार आने जाने से एक ठोस पत्थर पर गहरे निशान बन सकते हैं तो निरंतर अभ्यास से में विद्या ग्रहण क्यों नहीं कर सकता।

वरदराज ढेर सारे उत्साह के साथ वापस गुरुकुल आया और अथक कड़ी मेहनत की। गुरुजी ने भी खुश होकर भरपूर सहयोग किया। कुछ ही सालों बाद यही म-दबुद्धि बालक वरदराज आगे चलकर संस्कृत व्याकरण का महान विद्वान बना। जिसने लघुसिद्धान्तकौमुदी, मध्यसिद्धान्तकौमुदी, सारसिद्धान्तकौमुदी, गीर्वाणपदमंजरी की रचना की।

शिक्षा

दोस्तो अभ्यास की शक्ति का तो कहना ही क्या है। यह आपके हर सपने को पूरा करेगी। अभ्यास बहुत जरूरी है चाहे वो खेल में हो या पढ़ाई में या किसी ओर चीज़ में। बिना अभ्यास के आप सफल नहीं हो सकते हो। अगर आप बिना अभ्यास के केवल किस्मत के भरोसे बैठे रहोगे, तो आखिर में आपको पछतावे के सिवा और कुछ हाथ नहीं लगेगा। इसलिए अभ्यास के साथ धैर्य, परिश्रम और लगन रखकर आप अपनी मंजिल को पाने के लिए जुट जाए।

गज़ल

आँखों में रहा दिल में उतर कर नहीं देखा,
कश्ती के मुसाफ़िर ने समुंदर नहीं देखा।

बे-वक्त अगर जाऊँगा सब चौंक पड़ेंगे,

इक उम्र हुई दनि में कभी घर नहीं देखा।

जिस दिन से चला हूँ मेरी मंज़िल पे नज़र है,
आँखों ने कभी मील का पत्थर नहीं देखा।

ये फूल मुझे कोई विरासत में मिले हैं,
तुम ने मेरा काँटो भरा बिस्तर नहीं देखा।

यारों की मोहब्बत का यक़ीं कर लिया मैंने,
फूलों में छुपाया हुआ खंजर नहीं देखा।

महबूब का घर हो कि बुजुर्गों की ज़मीनें,
जो छोड़ दिया फिर उसे मुड़ कर नहीं देखा।

ख़त ऐसा लिखा है कि नगीने से जड़े हैं,
ए वो हाथ हैं जिसने कोई ज़ेवर नहीं देखा।

पत्थर मुझे कहता है मेरा चाहने वाला,
मैं मोम हूँ उसने मुझे छू कर नहीं देखा।।

राष्ट्र के शकुनी

हर परीक्षा दे चुका अब आग में इसको न ठेलो।।
यह प्रजा का तन्त्र है इस तन्त्र से कुछ मन्त्र ले लो।।

कौन कहता बिन खड़ग बिन ढाल आज़ादी मिली,
कौन कहता बिन गँवाये लाल आज़ादी मिली,
बुझ गए हैं दीप लाखों तब उजाला पा सका,
दे दिया बलिदान सर्वस तब प्रभाती गा सका,
है धरा यह प्रेम की तुम कृष्ण बनकर रास खेलो।। (१)

यह प्रजा का तन्त्र है इस तन्त्र से कुछ मन्त्र ले लो ।।

राष्ट्र की चिर भक्ति में है बाँधता परचम हमें,
लड़खड़ाते जब कदम है साधता परचम हमें,
एकता का मन्त्र देकर दे रहा अधिकार सब,
एक आँगन में मना लो एक हो त्योहार सब,

राष्ट्र है आज़ाद अब तो राष्ट्र को सम्मान दे लो ।। (२)
यह प्रजा का तन्त्र है इस तन्त्र से कुछ मन्त्र ले लो ।।

दुष्ट शकुनी रच रहे गृह-युद्ध की नव नीतियाँ,
देखकर बारूद फौरन जल उठी सब तीलियाँ,
और उनको निज समर्थन दे रहीं हैं आँधियाँ,

रौद्र होकर चढ़ रही हैं शीर्ष पर सब व्याधियाँ,

भारती के लाल हो तुम वीर हर तूफान झेलो ।। (३)
यह प्रजा का तन्त्र है इस तन्त्र से कुछ मन्त्र ले लो ।।

एक हम धृतराष्ट्र बनकर सुन रहे सारी कथा,
एक वह जो भीष्म बनकर पी रहा सारी व्यथा,
बाँसुरी को त्यागकर अब शंख की धुत्कार हो,
जो न मानें बात से फिर हाथ से सत्कार हो,

लक्ष्य साधे रिपु खड़े हैं राज उनके तीर झेलो ।। (४)

मेरा समाज

आओ किस्सा सुनाऊँ तुझे इस समाज का,
घर में काँप रहा हाल है एक बाप का ।
बात जाति की हो रही हर गली में,

इन्साफ बिक रहा है court की गली में ।
निर्भया जैसी माँओ का चिखता संसार हैं ।
चाय वाला बेचने लगा है देश को,
और इमानदारी बिक रही है cash हट्टो को ।
जो बोले सच उसकी आवाज दबाई जाती है,
पहले जाती पूछी फिर इज्जत मिलती आती है ।
कागजों में लिखे हैं हर गुनाहों के राज,
जमीन के नीचे दब गया सच बिना आवाज ।
राज बन गया है हर रोज का News,
Neta's चुप है जैसे मुँह पे लगा हो fuse
Justice का scale है उनके हाथों में tight,
जनता के हाथों में सिर्फ Candles and fight-1
कबर पे ताले और गलियों में Posters
System है Corrupt full of deadend coasters
जिसने भी सच बोला उसका गला काट दिया ।
सच बोलने वालों का Microphone छीन लिया ।
जो सवाल करे उसे कहते है गद्दार
जो झूठ में साथ दें उसको मिलता है Medal यार !
भाषा के नाम पर हो रही फालतु लडार,
बचपन Screen पर मर रहा है किसी ने सुनाई ?
देश चल रहा है झूठी Timelines पे,
लोग मर रहे है अपनी lifelines Hes' ।
बच्चों का Future है Reel में चिपका,
कपड़ो का व्लुसहू संस्कार सब लिपटा ।
माँ-बाप सिर्फ रोक टोक में लगे पड़े है,
ये ना करना, वो ना पहनना
और बचपन छुपके रोके पल पल बिखरे है
पल-पल बिखरे है.....
